Dear Stakeholders – Attached is the agenda for our Feb. 20th meeting in Silverton (1:30 pm). We

thought we might get a larger turnout than usual, so we are meeting at Silverton Town Hall.

Also, here is a link to an updated Good Samaritan video that Tom Schillaci has produced for us. It describes the Good Samaritan liability issue and the need for legislation. Here is the link:

Check it out.

As you saw in an earlier email, our InnoCentive Challenge is posted.
<https://www.innocentive.com/ar/challenge/9933520>

So far 178 solvers have signed up to work on the challenge. Who knows how many will actually send in solutions, but it clearly is generating a lot of interest.

Thank you to all our partners who have contributed to the InnoCentive effort:

International Network for Acid Prevention
Freeport-McMoran
Sunnyside Gold Corporation
National Mining Association
Goldcorp
New Mexico Coal
Trout Unlimited
MWH
Parsons, Behle & Latimer
Golder Associates
Holland & Hart
NorthWest Mining Association

Hope to see you on the 20th. We have a lot to discuss.
